Notes to Editors

- Gleeson Homes is part of MJ Gleeson plc, which is listed on the London Stock Exchange (GLE.L)
- Gleeson Homes is a leading high-quality affordable housebuilder, specialising in building and selling homes in the areas where they are needed most and for those who need them the most.
- Headquartered in Sheffield, Gleeson Homes operates across four regions in England: North East, North West, Yorkshire and Midlands
- Gleeson remains committed to affordability, with a couple earning the National Living Wage able to afford a home on 78% its developments. The average selling price for the year ended 30 June 2026 was £201,000.
- For the year ended 30 June 2026, Gleeson Homes sold 1,968 homes and delivered an adjusted operating profit of £20.1 million.
- With a strong land pipeline of 14,927 plots, the business is well-positioned for future growth, and is aiming to deliver 3,000 new homes per annum, with plans to increase profitability and resume its position as the fastest-growing listed housebuilder in the UK.
- All traditional and brick-built with a driveway and considerable garden space, Gleeson Homes offers a wide range of layouts, including one, two, three, four and five-bedroom homes across a range of terraced, semi-detached and detached houses, bungalows and maisonettes.
- As part of its social purpose of providing affordable homes to those who need them most, Gleeson Homes supports local buyers and key workers by offering a range of schemes to help them get on the property ladder.
- Gleeson Homes also supports local communities through its community engagement strategy, which includes sponsorship of local junior sports teams, creating apprenticeship schemes for local young people, and offering employment opportunities to those living close to its developments.
